Mr. Juan Pablo Burgos  
All Energies Corp & Inderin SA.  
Coral Gables, Fl. / Guayaquil, Ecuador

Subject: Letter of Representation for Progen's Flagship 3500kW Mobile Generator in Ecuador, in all commercial matters with CELEC

Dear Mr. Burgos,

I trust this letter finds you in good health and high spirits. It is with great pleasure and anticipation that I extend my warm greetings to you on behalf of Progen, a distinguished American engine innovation packaging company with 50 years of proud history.

Progen has consistently demonstrated its commitment to excellence, combining decades of field experience with cutting-edge 21st-century ingenuity. We take immense pride in introducing our flagship product, the 3500kW medium-speed, two-stroke mobile generator, housed in a single rugged yet portable container. This state-of-the-art generator is a testament to Progen's unwavering dedication to providing innovative solutions for diverse power needs.

Key Features of Progen's 3500kW Mobile Generator:

1. **Powerful Performance:** The generator boasts a robust 3500kW continuous load capacity, ensuring reliable and consistent power supply for various applications.
2. **Efficient Two-Cycle Technology:** Progen's advanced two-cycle technology ensures optimal fuel efficiency and reduced environmental impact, offering its continuous 3500kW rating with a 10% overload factor.
3. **Portability and Durability:** Housed in a rugged enclosure, our mobile generator is designed for portability without compromising on durability, making it suitable for a wide range of environments and conditions with a typical life span of 40 years.
4. **Remote Monitoring and Control:** Leveraging the latest in self-diagnostics digital technology, the generator control features create unmatched reliability with remote total access for control and monitoring, providing unmatched ease of operation and maintenance.

Progen is excited to announce All Energies & Inderin S.A., as our representative in Ecuador. We believe that All Energies & Inderin S.A.'s commitment to excellence and their extensive experience in the energy sector make them the ideal partner to introduce and support our flagship product in the Ecuadorian market.

As the authorized representative of Progen in Ecuador, All Energies & Inderin S.A., will have access to our comprehensive support network, including technical expertise, training programs, and logistical assistance.

We are confident that All Energies & Inderin S.A., 's dedication to customer satisfaction aligns seamlessly with Progen's values, and together, we look forward to a successful partnership.

# PROGEN

ENERGY SIMPLIFIED

We are open to discussions and collaborations to ensure a smooth introduction of our generator into the Ecuadorian market. Progen is committed to providing the highest quality products and services, and we believe that All Energies & Inderin S.A., is well-positioned to represent our brand with the same level of excellence.

Should you have any questions or require further information, please do not hesitate to contact us. We are eager to commence this partnership and contribute to the growth and success of both our organizations.

Thank you for considering this representation, and we look forward to a mutually beneficial collaboration.

All the best,

John Manning  
CEO/Chairman  
Progen Industries LLC
